Called to order 7:12 PM

Grand Tour (GT) 2020 is cancelled at this time by unanimous vote.

Also cancelled are all associated training rides. Rod will update the emailed schedules to remove training rides. The hard copy schedules have already been mailed.

Cancellations will be revisited as conditions warrant at future meetings.

Expect Bike to Work in May and LA River Ride to be cancelled.

Mel will pass along anything he finds out about Bike to Work.

We deferred consideration of cancelling the Dead of Winter until a future meeting.

Jacques – Note about COVID19 is already on the website

Ira – will write up text for website saying that GT and associated training rides have been cancelled because of COVID19.

We will revisit rides planned for later in the year after the GT at future meetings.

Will continue to put route slips on website with note that there will not be an organized ride and that people are on their own if they use these routes.

David will add call in number and PIN to minutes before sending out. - Done
