Brief discussion of 2 virtual double centuries, Hemet and Dead of Winter.

Hemet can be ridden any day in October 2020 and the Dead of Winter can be ridden from November 21, 2020 through December 20, 2020. For both rides the ride day must be picked when a person registers.

Registration is open for both rides at this time.

Renee has been unable to contact Hoy Quan to report her century rides. Kermit was given the correct number.

Planning for everything in 2021, 75th Anniversary Ride, etc. has been deferred until early next year based on conditions at the time.
