Los Angeles Wheelmen VP Report - July 6, 2021**Time is running out to order club apparel -- See below**

Hello All:

Last Week: Sunday was a double whammy -- we combined our usual Sunday ride with our annual 4th of July ride -- the "Firecracker Special." Maybe that is why we had a pretty good turn-out. I believe there were 14 riders. **Phil Whitworth** took this photo at the start

From the left: **Chris Hedberg**, **Lynn Katano**, **Nancy Domjanovich**, **Jackie Burneson** (behind Nancy), **Rafi Karpinski**, **Ben King** (who didn't ride, but see below), **David Nakai** (behind Ben), **Russ Brynes**, **Rod Doty**, **Michael Yeh** (a visitor from Boston), **Bill Faulkner**, **Jacques Stern**, and **Gary Murphy**. Not in the photo are **Phil** (taking the shot) and a friend of Lynn's named **Manny** (whose last name I didn't get). The group rode an easy pace and most of us stuck together through the entire long route. We had a nice break when Manny had a flat as seen in this shot from Phil

We also took a brief detour to a coffee shop in Seal Beach where Ben King was playing guitar. Lynn sent this photo:

Of course, we gathered at the top of Signal Hill, as we usually do, for a group shot. We had lost a few of our riders by then, but most were still there. Lynn sent this shot:

Here's one final shot from Lynn which I include simply because I think it's a really good shot of Nancy

All in all, a very nice holiday ride. Michael Yeh, our visitor from Boston, commented that he enjoyed riding with us, and that's always nice to hear.

Apparel Order:

As mentioned last week, you can once again order club apparel. However we need to have orders for at least 15 items or the order will be canceled. You have until July 14th to get your order in, so please don't delay. In addition to the usual shorts, bibs, jerseys, jackets, vests & gaiters, arm warmers will be available in 2 different weights. These arm warmers will match up with other Wheelmen clothing you may have, as well. To see the items available and to place an order, go to: <http://www.voler.com/custom/ordering/li/39830>

The end date to order is July 14 & delivery will be August 27. Take a look at the web site above. Tell your friends. Send questions to Nancy Domjanovich: nancydomx@icloud.com or text 310-415-8285.

Parting Shot: In this shot from Sunday's ride sent by Lynn, David Nakai was riding with a sign which was a parody of the sign held by a woman on the first stage of this year's Tour de France and which caused a crash which brought down about half the riders.

It says "Happy Fourth Grand Pa & Ma Please don't hit this. This is not T o F"

See You On The Road
